

INFINITY PARK EVENT CENTER

The Infinity Park Event Center offers more than 21,000 square feet of conference and meeting rooms. The Event Center also houses the International Ballroom, a state-of-the-art venue with amenities unparalleled in the Denver metro area. The large ballroom, which seats 750 guests or 1,200 for a reception, features a more formal atmosphere. Tall ceilings with a state-of-the-art lighting, audio, and projection systems provide the backdrop for a unique atmosphere that can be customized for any event.

The Cherry Creek & Four Mile Conference Rooms and Playa Del Carmen Boardroom are located on level two of the Event Center. The earth tones that embellish the Grand Foyer and International Ballroom continue in these rooms. The conference rooms are equipped with portable conference-style tables and offer the following equipment: white board, wall mounted flat panel televisions and projection screen. The portable conference tables and chairs will allow for flexible room layout, accommodating your needs. There is a movable partition separating Cherry Creek and Four Mile Rooms, should you choose. The boardroom is oblong and accommodates 14 in executive style chairs. There will be a white board and large screen television for your use.
